

325th Fighter Group

The "Checkertail Clan"

The 319th Fighter Squadron

My father-in-law, Clyde Sutton, served as an Airplane Maintenance Technician 750 with the 319th Fighter Squadron of the 325th Fighter Group during World War II. As an Airplane Maintenance Technician, Clyde was a crew chief for P-40, P-47, and P-51 aircraft. Duties included the supervision of the servicing, repair and maintenance of these aircraft and making preflight inspections to determine whether or not the aircraft was ready for use.

He entered active service on January 29, 1942 thru Fort Benjamin Harrison, Indiana. Training included Airplane Mechanics at Chanute Field, Illinois and P-40 Engines at Curtis-Wright School in Buffalo New York.

Battles and Campaigns include Tunisia, Sicily, Naples-Foggia, Rome-Arno, and Southern France. Decorations and Citations include EAME Theater Ribbon W/5 Bronze Stars per WD GO#33/45, Good Conduct Ribbon SO#42 Hq 325th FG June 1943, Distinguished Unit Citation W/1 Oak Leaf Cluster per GO#400 Hq 15th AF May 1944.

Departed US for NATO (North Africa Theater of Operations) on February 8, 1943 arriving February 21, 1943. Departed NATO for ETO (European Theater of Operations) on December 12, 1943 arriving December 17, 1943. Departed for the US on March 30, 1945 arriving April 9, 1945.

Clyde received an Honorable Discharge on June 5, 1945 after 3 years,

4 months and 7 days of active duty.

Here are some of the pictures he took while serving overseas. I will add more information and photo's as time permits. Many of the aircraft and people pictured here are also pictured in the book, "CHECKERTAILS: The 325th Fighter Group in World War II" by Ernest R. McDowell.
